The content, materials, and services provided on the SPECS™ website are delivered on an "as is" and "as available" basis without any warranties of any kind. SPECS™ explicitly disclaims all warranties, whether express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, or non-infringement. We do not guarantee that our online portal will be uninterrupted, entirely secure, or completely free of operational errors, viruses, or data bugs.

2. Onsite Physical Activity & Assumption of Risk

By enrolling a student in SPECS™ classes or onsite competitions, parents, guardians, and adult participants acknowledge that physical attendance and participation in instructional programs carry inherent risks. These risks include, but are not limited to, accidental slips, falls, physical exertion, or interaction with onsite equipment and facility structures. You voluntarily assume full responsibility for all risks of personal injury, illness, death, or property damage related to your or your child's physical presence at the SPECS™ facility.

3. Operational and Event Disruption

SPECS™ reserves the right to cancel, modify, or reschedule classes, course schedules, or onsite competitions at any time due to circumstances beyond our reasonable control (Force Majeure). This includes, but is not limited to, facility emergencies, severe weather events, power outages, utility failures, or government mandates. SPECS™ is not liable for any personal travel expenses, loss of time, or scheduling conflicts resulting from these unexpected operational changes.

4. Limitation of Liability

To the maximum extent permitted by applicable law, SPECS™, its owners, officers, directors, employees, and independent contractors shall not be liable for any direct, indirect, incidental, special, consequential, or punitive damages. This includes, but is not limited to, damages for personal injury, emotional distress, loss of profits, loss of data, or property damage arising out of or in any way connected to:

- Your use or inability to use the SPECS™ website or online portal.
- Your or your student's attendance and participation at our physical facility, classrooms, or onsite competitions.
- The behavior, actions, or conduct of any other student, parent, or visitor inside the SPECS™ facility.

5. Maximum Cap on Liability

In the event that SPECS™ is found legally liable by a court of competent jurisdiction despite the limitations outlined above, you agree that the total aggregate liability of SPECS™ for any and all claims shall be strictly capped at and limited to the total dollar amount actually paid by you to SPECS™ for the specific 4-week course during which the incident occurred.
